NEW WORKS AT THE GALLERY!

MICHELE MIKESELL

Represented at international art fairs such as Art Miami's Scope and Aqua Fairs, Art Basel, Red Dot London, and Hong Kong Contemporary, Michele Mikesell exhibits her dense, tactile paintings throughout the United States and across Europe and Asia. Using strippers, chisels, razor blades and solvents, Mikesell treats paint as color and matter, killing the idealized beauty of an expected image in order to revive it and create something arresting. Through this active participation with the surface of a painting, she generates a contradiction between worn paint and pristine image or surface. Mikesell received her MFA from the University of Oklahoma. She lives and works in South Dallas and Spain.

Please note that the gallery will be closed today, July 4th, for the holiday. We will reopen on Tuesday, July 7th. Have a fun, safe weekend!
